How does the gift card program work?

Gift cards are a great way to save some money on your tuition while helping St. Thomas More parish with the mortgage on our new building! Gift cards are available daily for local stores such as Giant Eagle, Shop and Save, Barnes & Nobles, Kohl's, Macy's and many more. The gift cards are sold to you at face value, but are purchased from the vendors at various volume discounts. The profit from the difference is shared with school families and the parish. In 2009-2010 the gift card program generated over \$41,000 in tuition remission for STM families.

Gift cards are easy to buy and easy to use. Cards can be purchased seven days a week:

- At church after Saturday evening and Sunday masses
- At the parish office from 10-4 weekdays.
- Through the school office. We will send up to \$200.00 in gift cards home with your child.
- You can get friends and family to purchase in your name for additional remission.
- Gift cards make great gifts and are useful for your business needs.

Shop with gift cards at:

Red Robin	Home depot

Special Order Gift Cards

Once a month STM makes available a special order for gift cards. The gift cards available on the special order form number well over 40 stores and businesses.

Families are given several weeks to

place this special order each month. The orders are filled and returned for delivery to the school office.

This opportunity to purchase from a larger number of vendors increases the possibility to get tuition remission.

Don't miss the chance to help your family and the parish!
